

# LED Cooler Lights

\*Patent Pending

Adding crisp LED lighting to your cold space is an affordable and energy-efficient way to upgrade the look of merchandising in your store. Lighting for Impact's Cooler LEDs are quick and easy to install — electrician rarely required — and help realize a dramatic response in sales almost immediately.

## OVERVIEW

Compatible with most existing ballasts.

Replace fluorescent bulb directly.

IP64 Waterproof and includes aluminum extrusion with excellent heat dissipation.

Double sided lighting that projects directly at intended product.

Long lifespan; more than 50,000 hours.

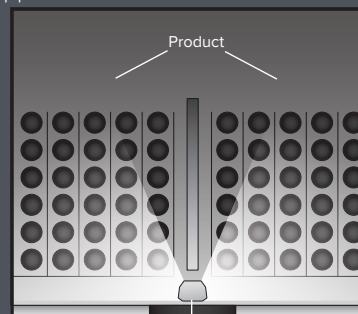

High quality product that is UL listed.

Performance Summary		
Models	5 ft.	6 ft.
Wattage	22.5 W	22.5 W
Lumen Output	2600 LM	2700 LM
Input Voltage	AC100-277V	
Efficacy	115 lm/W	120 lm/W
Working Current	360-380 mA	
CCT	5000K	
Diode Type	SMD2835	
IP Rating	IP64	
Working Temperature	-4°F to 112°F	
Life Time Ta=77°F	50,000 H	
Replaces	T-12 - FA8 & R17D Fluorescent Lamps	

## STRATEGIC LIGHT

Unlike existing fluorescent light and other LED replacements, Lighting for Impact's patented design lights *PRODUCT ONLY* — not fixture seams, background storage and other visual distractions for the shopper.
