With more than 30 years serving the retail industry, we're experts in designing and implementing LED lighting solutions. We're passionate about innovating and offering top-quality products designed to elevate the shopper experience and store environment. Our team consists of both merchandising and engineering pros to help you from start to finish in store. We'll do it all for you!

Six Lighting for Impact Advantages

Custom Design Consultations

Tell us your vision and we'll do the design layout for you. Layouts feature LED options — including type, intensity, and color recommendations. We'll share examples with you.

Quick Customized Quotes

Quote turnaround time is within an industry-leading 2-3 days. Your quote requests can be sent as pictures, engineering drawings, phone calls, floor plans, and more.

Value Engineered Systems

We design to maximize output while minimizing components. Our approach adds value and lowers overall costs, offering a big savings when compared to competitive systems.

In-Stock Inventory

Our large on-hand inventory is ready to ship — offering a wide range of components to meet your needs without the wait.

Fast Delivery

We offer an industry leading 2-week lead time on most orders, and expedited processing is available upon request.

Expert Installation

Our national network of reliable installation professionals have you covered — managing the in-store installation process start to finish.
